

CLIENT APPRECIATION CREDITS

While archiving some older QuickBooks data earlier this year, it came to my attention just how long some of my clients have been with me. In order to reward the loyalty of these long time clients, I will be issuing credits to those named below, which can be used for their 2015 tax return preparation. Please remind me when it comes time to prepare your return that you qualify for one of these credits. Each year, I will reward, with credits, clients passing one of the milestones of 10 years (\$50), 15 years (\$75) and 20 years (\$100). Thank you so very much to all my loyal clients for making my business the success it is. I look forward to a long and continued relationship with each of you.

\$100 Credit
